This contract covers only those items listed in the price schedule. It is the responsibility of the agency to ensure that other items purchased are invoiced separately. State agencies will place orders directly with the vendor (creating a PG in Finet) and make payments for the same on a PV referencing the original PG. Agencies will return to the vendor any invoice which reflects incorrect pricing.

Because Carpet is a construction material and when installed becomes real property, it is subject to sales/and or use tax. Exempt Entities on construction materials are Public Education and Charitable Organizations (IRS 501 C 3). Non-Exempt Entities for construction materials are State Agencies, Higher Education and Local Governments.

If State Agencies, Higher Education or Local Government Entities purchase the carpet and choose to install the carpet themselves they may purchase the carpet at the Exempt Entities price.
